

giftaid it

If you are a UK tax payer, Dawn Foundation China may be able to claim an additional 28% from the Inland Revenue for any donations you have made since April 2000 and for future donations. For example, if you donated £100 we could claim an additional £28 **at no cost to you and without affecting your tax status!**

Dawn Foundation China will use the extra money to help those most in need. This valuable income will be used to continue vital development projects or provide additional help whenever the need arises.

Please take a few minutes to complete the simple form below, and we will do the rest. You'll receive a confirmation by email for your own records and Dawn Foundation China will make the appropriate claims as needed.

For your donation to qualify for tax relief, the amount of income/capital gains tax you pay must at least equal the amount of tax Dawn Foundation China will reclaim from your donation. So if you donate £100 a year, you need to be paying at least £28 a year in income/capital gains tax.

If you are a higher rate taxpayer, Dawn Foundation China will claim at the basic rate. You may be able to make an additional claim for the difference. Please contact a suitably qualified financial advisor or your local tax office for more information.

If your circumstances change (e.g. tax status or address) please let us know by email or post.

I am a UK taxpayer and I want Dawn Foundation China to treat all donations I have made, within the last six years and all donations I make from the date of this declaration, until I notify you otherwise, as Gift Aid donations.
